

All teams must book all hotel reservations through HBC Event Services. Teams can only stay at approved hotels.

When your team is sent an email greeting from HBC Event Services, make sure you promptly respond. The housing service will set-up a block for your team and answer any other concerns you have with reserving the best hotel for your needs.

Remember if your team books outside of the service, or a hotel not on the approved list, They will not be accepted into the tournament.

Thank you
