

Established 2003 in Naples ,Florida

This event was one of our 1<sup>st</sup> events for Soccer Skills Unlimited. We started out as The Kelme Cup in January 2003. This tournament was first located in Naples at Vineyards park and had 74 teams to enter in that 1<sup>st</sup> year. We grew over the course of the next few years to close to 150 teams. This became a very popular event for teams to attend. When the North Collier Regional Park was opened in 2006, we immediately moved this event to this amazing park.

We grew to a point that we had to host the event of the course of 2 weekends..to 3 weekends...and to finally 4 weekends of The Kelme Cup. With a total of close to 300 teams attending. For a couple of years we separated the boys and girls weekends, but finally thought that putting the groups together by age groups, was the best way to run this event.

In 2015, 3 years after my son Dimitri was born, we decided to change the name of this tournament to "The Dimitri Cup". Over the course of the next few years , we grew to a point that this location could not support the amount of team that wanted to attend. We decided to move the tournament 2 hours north to Premier Sports Campus in Bradenton Fl.

In the 2020, the "Virus" came, and we did not know what to expect. It turned out that the tournament grew to over 500 teams in 2021, and we had found a new location, that was going to enable us to grow to the goal of 1000 teams eventually.

We are excited to announce that we are ahead of schedule this year for 2022, and are anticipating well over 600 teams. We are looking forward to keep growing this event over the years to come!!
